

Rocks And Fame

You Are Beautiful!

OUR COMPANY

Rocksandfame.com, is a high fashion, trend setting jewelry company offering the most unique line for today's modern style. Our designs have been featured in magazines, fashion websites, and on TV.

This trend setting company has enjoyed accolades throughout the fashion industry. We make jewelry to empower people!

RocksandFame.com was born in New York City from the love of natural stones, and the dream of offering jewelry with a spirit like no other. Rocks and Fame produces wearable art, because jewelry is a collectible art form.

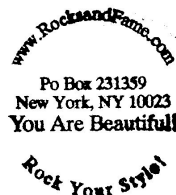

Rocks and Fame will rock your life and your style!

Each piece of jewelry is designed and assembled in our New York City studio. This unique studio is in the heart of New York City, which accommodates the finest workforce dedicated to the production and distribution of the Rocksandfame.com line. For several years, this team of dedicated professionals has built Rocksandfame.com 's reputation for creating beautiful, as well as one of a kind jewelry. Rocksandfame.com is committed to excellence and performance!

The jewelry is mostly made of precious, semi-precious stones, organic materials. The Designer, Sophie K. Pierson, was born in Paris-France and lives in New York. Pieces are mostly one-of-a-kind, assembled by hand, but can be duplicated for special orders.

Fashion editorial coverage includes prominent magazines from Cosmo Girl to Sheckys.com (online fashion magazine). TV Coverage includes Chic.TV.
